

The German Centre for Integration and Migration Research (DeZIM e.V.) in Berlin seeks to hire at the earliest opportunity (75% FT, E13 TVöD (Bund)) a

Researcher

DeZIM is a non-university research institute set up in 2017 in the fields of migration and integration. As an institute it is closely related to the Federal Ministry for Families, Equality, Children and Youth, the Elderly and Civil Society and specifically considers respective topics.

Your Profile

- Above-average university degree in social sciences, political science, geography or related disciplines, an MA or MSc is required and PhD an advantage.
- Excellent knowledge of empirical migration and/or migration policy research.
- Critical thinking.
- Ability to present complex issues to diverse target groups in a comprehensible fashion.

Your tasks

You will be working with Dr Franck Düvell, head of migration department at DeZIM and project leader.

- Implementation of a work package of the H2020 CSA project „Cross Migration“
- Analysis of the state of the art of research on the theme of a meso-level determinant of migration: migration infrastructure
- Analysis of bibliometric data
- Meta analysis
- Preparing a report (English), a research brief, and possibly an academic publication
- Coordination of external experts
- Organisation of an expert workshop in Berlin
- Assistance with the management of the project
- Supporting the institute in responding to short-term requests from the ministry
- Assisting the head of department in funding applications
- Translating complex scientific material in a comprehensible form
- Participation in scientific events
- Contribution to scientific outputs and press releases

Further conditions for a successful application

You have several years of research experience notably in analysing and condensing state of the art. You are familiar with the user groups of the DeZIM (policy, media, civil society). We expect a high level of organisational skills, resilience to stress and excellent understanding of complex issues. You are able to occasionally travel internationally. Excellent English is compulsory, some knowledge of German an advantage.

We offer

For the time being the post is limited to 11 month, 75 % FT. In case further funding becomes available the post may be expanded and extended. The salary level is grade **E13 TVöD (Bund) / grade of public service (federal)**.

DeZIM e.V. is committed to equal opportunities of women and men according to the Federal Law on Equality (BGleIG). We strive for gender and ethnic balance. Applications of women or members of ethnic minorities are explicitly encouraged. In case of equal qualifications handicapped people will be prioritised.

Please apply by sending the usual documents (cover letter, application, an English publication (report etc) by **15. March 2019 (12 pm)** as a PDF document to: **bewerbung@dezim-institut.de** putting the reference **PR/01/19** and your **family name** in the subject line.

The interviews are provisionally scheduled for **20. March 2019 by skype**. We will email invitations on short-term notice but no later than 18. March. Start date is as early as possible, ideally 1. or 15. April.

If you have further questions please email **Dr Franck Düvell** (*bewerbung@dezim-institut.de*).
