

## InZentIM Lecture Series: "Focus #Ukraine"

digital via Zoom, Tuesdays 04:00 – 05:30 pm

Dear Colleagues,

The Russian aggression against Ukraine has brought violence, war crimes and insecurity. Millions have been forced to flee their homes – mainly women, children, and adolescents. We face new challenges to provide safety and circumstances conducive to the well-being of the many who have been uprooted: What is known and what is new in the situation we face? What can be done? The **Interdisciplinary Center for Integration and Migration Studies (InZentIM)** of the University of Duisburg-Essen wishes to contribute to the respective debate by hosting a Lecture Series with a focus on Ukraine and the migratory patterns we see.

We are delighted to invite you to the **lecture series "Focus #Ukraine"**. The first event will take place on **June 14, 2022** from **4:00 to 5:45 p.m.** We welcome Dr. **Yarina Borenko**, who will present her research in her lecture **"Education and culture and their impact on identity in Ukrainians"**.

The event will take place via Zoom in English (access details below).

**14.06.2022 | Dr. Yarina Borenko**

### **Education and culture and their impact on identity in Ukrainians**

A special focus will be on the impacts of reforms in the educational, cultural and youth sectors.

Speaker: Dr. **Yarina Borenko** (Research fellow at the Purdue University/Indiana) is a researcher and educator in the field of citizenship education.
